

Welcome to the 2019-2020 school year at VAA

In my classes I will integrate school gardening, outdoor education and many hands on practical STEM projects.

Students will need the following supplies.

Specific for my class

- rubber boots for working in the garden or walking in wet grass in the mornings. Steel toe boots not necessary.
- college ruled journal (for their nature journal)

General (can be used in multiple classes and duplicates for my classes are not needed)

- 1doz. #2 pencils (Mechanical)
- 1 set of colored pencils
- College ruled paper with three holes that fits into the binder
- 1 three ringed binder with dividers

If students are in my home room they will each need to bring.

- 8 boxes of facial tissue paper
- 4 Pack roll of paper towels

Sincerely,

Philip Wiygul
